

# Datasets Description

## 1. Netflix Originals Dataset

- Contains details about Netflix Originals, including:
- Title
- Genre ID
- Runtime
- IMDb Score
- Language
- Premiere Date

## 2. Genre Details Dataset

- Contains information about genres, including:
- Genre ID
- Genre Name

# Analyses to Perform

- 1.What is the average runtime of Netflix Originals for each genre?
- 2.Which languages have more than 10 Netflix Originals, and what is their average IMDb score?
- 3.List the top 5 genres with the most Netflix Originals, sorted by the number of titles.
- 4.Retrieve the titles of Netflix Originals released after 2020 with an IMDb score greater than 8.0.
- 5.Which genre has the highest number of Netflix Originals in languages other than English?

6. Rank Netflix Originals by premiere date within each genre and display the latest one per genre.

7. List all Netflix Originals that are longer than the average runtime of their respective genres.

8. How many Netflix Originals were released each year, and what is the average IMDb score for each year?

9. Which genres have Netflix Originals with IMDb scores in the top 10% of all titles?

10. Identify genres where the minimum IMDb score of Netflix Originals is greater than 6.5.
